Color Scheme

UCF main colors are gold and black. We decided to honor the schools colors and add some variations to allow some contrast.

1. This will be the main background of the the site in light mode and some text and icons.

2. This will be the color of the side nav bar.

3. This will be the color of text and icons.

4. Is the accent color and shows selected items.

5. Will be used in some text or to divide certain elements from other sections.

6. This will be the main background of the the site in dark mode.

Dyslexic

1. The heading of each page is 34 px large on the browser and 28 px on mobile in OpenDyslexic Bold font. It will be underlined with a line of 64 px long by 4 px wide in the color #F9C90F

UI Elements

1. Navigation Bar- Shows the main sections myUCF services offer such as, “Home”, “Tasks”, “My information”, “Finances”, “Settings”, and links to Webcourses and Knights email. It also allows the user to log out. Selected tab will be highlighted in yellow and information inside will be switched from white to a dark gray.

2. Buttons - Buttons will vary depending on location and selected theme. The yellow will show selected item and a transparent yellow will overlay buttons that are currently being hovered.

3. Toggle Switch Button - Switches between one setting from another.

4. Drop down Menu - Allow user to switch from list available. Current item will be highlighted in yellow.

Iconography

1. Academics Icon - opens Academic tab.

2. Email Icon - opens Knights mail in newtab.

3. Bank Icon - opens Finance tab.

4. Home Icon - opens Home Dashboard tab.

5. Information Icon - highlights important information.

6. ID Icon - opens Student information tab.

7. Exit Icon - allows user to logout.

8. Gear Icon - opens Settings tab.

9. Checklist Icon - opens Tasks tab.

10. Check mark Icon - shows items are completed.

All icons will be the color
#FFFFFF or #242424
